Gerry Pinard,
American Radio Relay League,
Newington 11, Conn.

Dear Gerry:

Last year Brad Rohrer, K1CTK called you, I believe several times for movies for our monthly meetings for the Wellesley Amateur Radio Society. Brad works for National Radio and was in a position to make such calls. This year I have been assigned to do Brad's job, but I will need to write ahead of time.

The first meeting of the new year will be on Monday, Sept. 13th and I would like to request the following movies:

F-37 " Printed Circuits and their Repair"
F-38 " Hams Wide World"

We are hoping to have the two movies, but if they are on your active list, the Club will be willing to have something else which is appropriate. I wonder if it would be possible to have the movies at my home by Saturday, September 11th? Our Club draws heavily on ARRL movies for its yearly programs, so you will be hearing from me again. No problem-the club has been affiliated for many years.

Yours very truly,

Walter E. Lenk K1YTY
Secretary (second term)
Wellesley Amateur Radio Society
